4th September 2014

Dear Parents/Carers,

There are many after school clubs that run through the week and children are often dismissed and collected from the car park. It is a potential health and safety risk, so from this week forward children will be dismissed and collected from the main gate by the Nursery.

Sports coaches who run the clubs have been informed of the changes and will dismiss the children through the side door at the end of the corridor by the school office in the Campion building.

Children will no longer be dismissed through the car park

Please remember to collect your child from the designated area

If for any reason you are unable to collect your child alternative provision must be put in place so that they can be collected on time.

Thank you for your continued support.
