

## Harvest Time

Friday 7<sup>th</sup> October 2016

Dear Parents/Carers,

Our school Harvest assembly for the children this year will be held on Thursday 13<sup>th</sup> October. This year 3F will be taking the assembly and we are inviting the parents of this class to attend.

For our local charity focus we have decided this year to support the work of the Haringey Migrant Support Centre which is based in West Green Road. The work that they do includes giving advice on immigration and welfare, providing a hot meal and health advice in accessing NHS services.

They are desperate for some essential items which we will collect and take to them at the end of this half term. If you have any these items at home and they are no longer being used and in fairly good condition then please do send them in. Please ensure these items are washed and ready for use.

Please send these items in during the next couple of weeks, any help would be appreciated. See list below:

- **Children's clothes- 6months- 14 years**
- **Duvet covers**
- **Pillow cases**
- **Sleeping bags**

  - b) **T-shirts**

Thank you for your support.

Yours sincerely

Miss Taylor
