W/B19 June	5L	Pendarren trip
21 June	All	Around the World Day
29 June	All	St Peter and Paul

Dear Parents and Carers,  
It has been a very busy half term of hard work and some play!  
Last week was Walk to School Week, when lots of children, parents and staff walked together from Stamford Hill to be greeted in the playground by the very playful Walking Crocodile!  
Thanks to all the children, staff and parents for contributing to Well-being Week. There has been meditating in classrooms, singing in the hall and dancing in the playground!  
There were some great healthy swaps in packed lunches and good conversations in classrooms about how to look after ourselves and each other when we are feeling worried or unhappy.  
Well done for a great turn-out of parents at our exercise coffee morning with Mr Henry putting them through their paces!  
This morning the children participated in a procession to offer a flower at the altar at our Crowning of Mary ceremony.  
We wish you a good half term.

## House Points

Winning Team

**Europe**

**Congratulations**

## Lunchtimes

After half term we will start Week 1 of the new summer menu.

## Sports Achievements

This week during well being week the KS2 children have taken part in a number of sports events. We were very proud of their achievements in representing the school. We came 2<sup>nd</sup> in the Tag Rugby tournament out of 20 schools. Great work children!

Over in the athletics tournament we also came in at a very admirable place in the league tables. We are proud of your efforts.

**Wellbeing Week: The children took part in various events to think about their physical and emotional well being this week. Events included boxing, dancing, packed lunch healthy swaps, parents fitness session.**

## NSPCC and Childline

Last week we had representatives from the NSPCC in school to run assemblies and workshops supporting our children in being able to keep themselves safe in our ever changing world.

**Clubs:** We have been delighted to offer a wide variety of clubs this term but unfortunately some children are not being picked up on time. Please ensure you collect your child on time otherwise they may lose their place.

## Walk to School Week

Well done to all those children and parents to walked to school last week. We discussed with the children the benefits of walking to school and many children joined us on our giant walking bus from Sainsburys in Stamford Hill. Keep it up children!

## Reminder:

The children will return to school on Monday 5<sup>th</sup> June.

**Times Tables: Each child will be bringing home a letter about learning their times tables over the half term. Please revise these important mental maths facts with your child.**

## Parent Concerns

All of our staff try to ensure that all the children have consistently positive learning experiences in school. However, if you have any concerns at all, we ask that you follow our procedures to resolve these :

1. Speak with your child's class teacher in the first instance.
2. Raise it with Ms Curran Ms Taylor and / or Mr Bonner
3. Escalate your concern to our parent governors - Karen Gold and / or Miren Belinchon

**It is unacceptable for parents to approach other parents or their children about issues they may have with that parent or child. Please seek the support of school staff.**

## General reminders

- Letters have been sent home and meetings have been held in school to improve the **attendance** and **punctuality** of some of our pupils – School will be closely monitoring this
- Please sign the reading records x5 per week. Teachers will be monitoring this.

Mary our mother, during the month of May we remember your courage and your devotion to God. Please bless us with the courage to do what is right. Amen.
