Through The Week

The book fair has come and gone and was well supported by many children and families. Thank you to those people who participated and bought a book. Any profits will be used to buy books for all classes. The children were treated to a very moving account of the centenary of the outbreak of the First World War on Friday morning. Quantum Theatre's production of "Your Country Needs You" helped the children of Key Stage 2 to have a deeper understanding of what life was like for men at the front. They also asked the actors some very interesting and pertinent questions after the performance.

Congratulations to Class 4C who **STILL** have had 99.4 % attendance for the term so far!! Keep it up children. Class 5B are hard on your heels with 98.76% attendance and Class 4T with 98.74%

PEARL Assembly

Mrs Sapienza spoke to the children about the PEARL value of Love at Wednesday afternoon's assembly. Using the story of the Rainbow Fish she shared with the children the importance of loving people through sharing and understanding. By displaying these qualities we begin to understand more about how we should live a life that is determined by fulfilment.

IGNATIAN CHAMPIONS

Our Ignatian champions were awarded their badges at last Monday's assembly in the presence of the chair of governors Miss Anna Maria Wallace. Congratulations to the children who put themselves forward for this responsible job. You have an important role to carry out and to be excellent examples to the rest of the children at our school.

New School Councillors

The new representatives from across the school were presented at the same assembly last Monday. Under Mr Latheron's guidance they will meet regularly to discuss matters that the children find important regarding a range of matter of school life.

Congratulations children, we look forward to seeing the different changes that you can help to bring for the good of the school.

No Pen Day

Wednesday 15th October is NO PEN DAY across the country. To celebrate this important date the children will spend one lesson debating constructively around a selected topic. Speaking and listening is an integral part of the way children learn. We look forward to reporting to you about the results of the day.

Birthdays

Happy Birthday to the children and staff who celebrated their special day this week. We hope that you had a lovely day.

The BIG Question

"Would you rather be a brave fool or a clever coward?"

Please see what answers your child can produce around this question. Answers will be discussed at next week's assembly. The best ones that the children agree on will be displayed. Get thinking children and good luck.

This week's prayer comes from the children in Year 5B

Here and Now

I could perhaps plant a garden of trees
But it would not be paradise

I could perhaps build a city of gold
But it would not be the holy city.

But here and now I can follow Jesus
And in this way God's kingdom will grow.

HAVE A LOVELY WEEKEND!
