Vacancies for Reception and Nursery Classes Academic Year September 14/15

There are a few vacancies in our **Reception and Nursery** classes for the academic year 2014/15. If you know of anyone looking for a place for their child/children to start school in **September 2014** please ask them to collect a form from the school office.

Through The Week

Welcome back to the final term of the year. The second half of the summer term always proves to be very busy for children and staff, so please check your child's bag, for letters and other information that is sent home, on a regular basis. The school will also use a text messaging service to inform you of any important events that take place over the coming weeks too. Children from both Year 5 and 6 classes took part in the 'Cycle Surgery' on Wednesday and Thursday. The instructors were very impressed with the children's level of ability and thanked them for their focus and concentration through the sessions. Class 5EJ gave a heart stopping performance at Thursday afternoon's assembly. The children and staff worked incredibly hard to deliver an assembly that left the school inspired and prepared for the coming of the Holy Spirit this Sunday.

Class 5EJ Assembly

The children of Class 5EJ gave an inspired performance on Thursday afternoon to the school. The theme of Pentecost was shared with the children and staff through drama and prayer. The children spoke with clarity and presence. The school was very moved by the children's performance and thanks must be given to everyone who was involved in its preparation.

Achievement Certificates

Certificates were awarded by class teachers this week and the following winners were:

Year 1	Freia	Sabrina
Year 2	Antoni	Munachi
Year 3	David	Daniel
Year 4	Yanna	Chyla
Year 5	Natalia	Samantha
Year 6	Elfreda	

UPDATED INFORMATION

Please inform Mrs Hibbert in the office of any changes that the school needs to be informed of. All too often staff are unable to contact parents because of information that is out of date. This vital form of communication must be current and up to date for the safety and concern of all children. If you need to let the school know of any changes please ensure you go to the office as soon as possible.

School Uniform

The summer weather is here! There are many girls who wear long tights and socks underneath a summer dress. Please ensure that your child wears **either socks or tights but not both**. It is a question of uniform policy and hygiene. Thank you for your support in this matter.

Walk to School Week

Monday 9th June – Friday 13th June is 'Walk to School Week' at St Ignatius. Please spend some time in conversation with your child about the importance of walking to school. It is a vital life skill that can be built on daily and with regular practice. Badges will be awarded to those children who manage to walk to school every day. Teachers will record and display in classrooms which children have walked on a chart. There will be another "Walking Crocodile" that will meet on Wednesday on the corner of Avenue Road and St Ann's Road on Wednesday (11th June). Please help the school to support this important week.

Sports Day

Sports Days will take place over three days this year from 9:30 – 11:30. The school encourages parents to support this event and to follow the code of conduct that will be sent home with your child next week. Please make a note of the time and dates. Sports day is a wonderful way for children participate in competitive events and to challenge themselves.

Wednesday 25th June – Years 4 5 6 – Markfield Park

Thursday 26th June – Years 1 2 3 – Markfield Park

Friday 27th June – Reception – Paignton Park

The Big Question

DO HEROES EVER FEEL SCARED?

Please spend some time discussing the possible answers to this question with your child. The children often discuss the possibilities to the 'Big Question' with staff through the week. It is a lovely way to talk with them and to see how they arrive at their answer and to explore them a little further.

Weekly Maths Challenge

This week's award winners are a small group from 2D: Aleksandra, Ania, Luke and Kyhar.

"It has to be said that they were the only ones across all year groups to get the correct answer and demonstrated superb understanding of how to apply and the correct formula and workings."

Miss Fellows

CONGRATULATIONS CHILDREN! WINNERS TWO WEEKS IN A ROW!

Yellow Zig Zag Lines

Please be conscientious when dropping children to school and collecting at the end of the school day. The yellow zig zag lines are there to stop any cars from blocking traffic and to help keep it flowing. It also allows the children to move across the pavement safely and to enter the building safely.

School Website

The site should be ready to access at some point next week. The finishing touches are being made and the site will "go live" very soon. Please continue to access information on the old site until then.

Weekly Prayer

This week's prayer has been written by the children from Reception Class F. Thank you children. They have been learning about the importance of water in class and have created a poem based on this.

Dear God,

Thank you for the water we drink that helps us and all the animals grow.

Thank you for the rain that waters our trees and flowers.

Thank you for the sea and the fish that swim there.

Thank you Father

Amen

HAVE A LOVELY WEEKEND!
