## Policy Rational

This policy is part of our whole school healthy food agenda, and aims to give clear guidance to parents/carers, pupils, governors and staff on providing a healthy packed lunch.

We believe that a healthy packed lunch can contribute to the health of children and young people and needs to be consistent with the nutritional standards provided by school meals.

The policy applies to all packed lunches consumed within school, on school trips and school journeys taking place during the school day. It also applies to packed lunches provided by the school.

## Development of the Policy

This packed lunch policy has been developed by drawing on key government guidance associated with healthy eating and the school day. Appendix 1 illustrates the constituent parts of a healthy packed lunch. The Eatwell plate (Appendix 2) demonstrates how to get the balance right, by showing the proportion of each of the five food groups that should be eaten every day.

School meals and packed lunches represent a third of a child's daily intake of foods and nutrients, which presents a great opportunity to promote healthy food choices for children and young people.

The School Food Trust (SFT) provides regulations for healthy school meals and packed lunches and this recommends that food from the high fat and/or sugar group on the Eatwell plate (e.g crisps and chocolates) should not be included in a packed lunch, and should be consumed out of school hours.

## Content of Packed Lunches

Foods to include:-

We ask that all packed lunches be based on the School Food Trust's food based standards for packed lunches (appendix 1) and should include the following:

**Fruit and Vegetables;** at least one portion of fruit and one portion of vegetables

**Protein:** meat, fish, egg or other source of non-dairy protein (e.g lentils, kidney beans, chickpeas, hummus)

**Oily Fish;** such as tinned or fresh mackerel, sardines, salmon, tuna

**Carbohydrate;** starchy food such as bread, pasta, rice, couscous, noodles, potatoes, chapattis and roti.

**Dairy;** food such as milk, cheese, yoghurt, fromage frais, or calcium fortified Soya products, reduced fat versions of these should be used where possible.

**Drinks;** water, pure fruit juice (no added sugar), semi- skimmed or skimmed milk, reduced fat and sugar yoghurt, milk drinks or smoothies. **NO FIZZY DRINKS**

**Puddings;** should be fruit based such as fruit salad, tinned fruit with yoghurt or custard, fruity rice pudding, fruit smoothies, fruit based crumble.

**Foods to avoid or limit:-**

**Crisps (Baked crisps are fine), cakes and plain biscuits**

**Meat products such as sausage rolls, individual pies, corned meat and sausages.**

*These items should be included in packed lunches no more than once per week.*

**Packed lunches should not include any of the following:-**

Fizzy/sugary drinks in cartons, bottles or cans (including diet or energy drinks which can contain high levels of caffeine and other additives which are not suitable for children)

Confectionary such as chocolate bars and sweets

Chocolate spread as sandwich filling

Peanuts and peanut products

**Special diets and allergies**

We ask that parents/carers be aware of nut allergies. Our kitchen at St Ignatius is completely nut free due to this issue. The school recognises that some pupils may require special diets that do not follow the National Food Standards exactly. In this case parents/carers are asked to make sure that packed lunches are as healthy as possible. For these reasons pupils are also not permitted to swap food items. As some children in school have nut allergies we ask parents to refrain from including peanuts or peanut butter in lunches.

## **Packed Lunch Containers**

We ask that parents/carers and pupils:- Provide a packed lunch container where food items can be stored securely and appropriately until the lunchtime period.

When on a trip children need to bring their packed lunch in a throwaway carrier bag. This way it can be disposed off after lunch.

## **Staff**

To support a whole school approach, staff are encouraged to comply with this policy when bringing in packed lunches and eating these with pupils.

## **Facilities for packed lunches**

We will:-

Provide appropriate facilities to store packed lunches

Provide free, fresh drinking water

Provide appropriate dining room arrangements for all pupils, regardless of whether they have a school lunch or packed lunch, and wherever possible, ensure that pupils with a packed lunch and pupils having school meals, are able to sit and eat together.

## **Monitoring**

To promote healthy eating we will regularly monitor the content of packed lunches and involve pupils and staff. We will talk to parents/carers where necessary and offer guidance on bringing healthy packed lunches. If a lunch is not deemed to meet nutritional standards parents will be advised on the changes that need to be made. Any sweets or fizzy drinks will be confiscated until the end of the day. These may be substituted with a piece of fruit or alternative drink.

## **Working with parents and carers**

We hope that all parents and carers will support this packed lunch policy. We will offer advice and guidance to parents/carers on packed lunches if required. We offer a range of ways to support parents/carers e.g regular information on newsletters, special meetings and workshops.

**Policy review**

This policy will be reviewed as part of the schools agreed policy review process. In addition any major legislative or government changes regarding school food may lead to this policy being amended.

**Review date: Spring 2019**
