Through The Week

Dr Bike It returned to school on Wednesday morning to check the bicycles of those children who are to take part in the next round of cycle training next week. We look forward to them undertaking this important proficiency test. Football trials have taken place and the teams will soon discover if they have been successful. The website continues to be updated with new and relevant information. Please keep visiting the site.

Secondary School Transfer Meetings

This important meeting will take place today after school from 3:30pm in the school hall and again on **WEDNESDAY 17th SEPTEMBER** at 3:30pm in the school hall. Please make every effort to attend.

Please read the article on the school website

Parent Meetings

If you haven't already met your child's new class teacher there will an opportunity to do this on Monday 15th September from 3:30pm through to 4:00pm. This is a brief meeting to explain expectations for the coming year ahead. You should have all received your curriculum newsletters in preparation for this meeting.

Please help your child to be prepared for school as much as you can during this important time of the year. We look forward to continuing our relationship with you for what will be another successful year!

Children Who Arrive Late to School

Mr Soyka will monitor those children who come to school once the gate to the Anne Line playground has closed at 9am. Children must enter the building via the gate to the school office. The school understands that from time to time circumstances beyond your control can lead to a child arriving late to school. Please be mindful of the importance of helping your child to arrive at school on time.

Thank you for your continued support.

PEARL Assembly

Miss Curran spoke to the children from Key Stage I about our school PEARL values on Wednesday afternoon. She reminded them about the way our values help all of us to treat each other how we wished to be treated and by doing so we become more like Jesus.

Collecting Children from After School Clubs

Some clubs have already started this term and there seems to be some confusion over the system how children are collected once the club has finished. A letter was sent home last week detailing the new system – all children will be dismissed through the Campion playground and leave the school via the path alongside the office area through the gate that leads on to St Ann's Road.

CHILDREN WILL NO LONGER BE DISMISSED THROUGH THE SCHOOL CAR PARK

Please be on time to collect your child or ensure that you have returned the slip giving them permission to travel home on their own if they are in Years 4 5 and 6.

IMPACT Workshop

The first parent IMPACT workshop of the year takes place on WEDNESDAY 17th September at 9:15am in the school hall. The theme of the session will focus on Story/Narrative writing and is aimed at our Year 6 parents. These workshops have proved to be very popular in the past and they are a very good way of helping to support your child's learning using many of the strategies used by class teachers. Please make every effort to attend.

Further details can be found on the school website.

Dr Bike It / Cycle Training

Dr Bike It returned to school once again on Wednesday to service the bicycles of the Year 5 children who will start their cycle training next week. Our Junior Travel Ambassadors spent some time learning about the importance of cycle maintenance with their instructor. We look forward to awarding them their certificates in a few weeks time.

KINDLY ENSURE THAT ALL UNIFORM IS LABELLED CLEARLY

Haircuts

Hair must be worn in a sensible and neat style. Mohican and shapes cut in to children's hair are not permitted. Please ensure that your child is sent to school with a sensible cut.

After School Clubs

A timetable of all after school clubs for the term will be in next week's newsletter.

The BIG Question

"Is zero a number?"

Please see what answers your child can produce around this question. Answers will be discussed at next week's assembly. The best ones that the children agree on will be displayed. Get thinking children and good luck.

This week's prayer was written by the children and staff from 6E:

Bless us oh God as we make a start to the new term,
May we develop new friends and working relationships,
May we remember that all of us are working to better ourselves, our lives and others.
May your strength guide us to care for others,

Amen

HAVE A LOVELY WEEKEND!
